

Environmental Policy

This Environmental Sustainability Policy formalises our commitment to supporting the principles of environmental sustainability and recognises that a sustainable environment is central to our lives and our work.

The aim of our Environmental Sustainability Policy is to:

1. implement environmental actions within the company
2. monitor the environmental actions and improvements internally
3. communicate environmental initiatives internally and externally.

Scope

This policy and associated procedures apply to all management, employees and contractors working for the company.

Our Policy

Forte Marketing respects our relationship with the natural environment and its ecosystems. We acknowledge the adverse impacts that human activity can impose and take actions to prevent degradation of those natural systems.

Forte Marketing commits to the following principles and practices:

1. Monitoring and managing our environmental performance and working towards targets set to reduce adverse impacts.
2. Complying with relevant Australian Commonwealth, State and Local environmental policy, practices, regulations and legislation, and industry-specific legislation.
3. Reducing the consumption of natural resources in daily operations, including water, paper and energy.
4. Maximising the recycling of resources.
5. Disposing of waste appropriately, including e-waste at designated e-waste centres.
6. Committing to the principles of preventing pollution to the environment and continual improvement.
7. Minimising pollution by taking steps to limit carbon emissions resulting from vehicle and air travel.
8. Where possible, encouraging suppliers to meet high environmental performance standards.
9. Communicating this policy to all employees, contractors and other stakeholders, as well as making this policy available to the general public.

10. Where relevant, report on the company's environmental performance in internal and external communications.
11. Reviewing this policy annually and measuring targets and performance as part of that review.

Responsibility and Review

This Environmental Sustainability Policy is the responsibility of the Management of Forte Marketing. This policy was updated in July 2023 and will be reviewed in July 2024.
